OUR RECENT
ACTIVITIES

Pastors and Workers Fellowship

“Come ye and rest awhile.” Our Pastors and workers in our outreaches together with their families and office staff held our Pastors and Workers fellowship last October 23, 1999. A wonderful time of sharing testimonies and encouragement from God’s word. Pastor Ray Mago, our follow up worker is the coordinator of our outreach program and activities.

Interchurch Fellowship

Strengthening church unity was the theme of our interchurch fellowship last Oct. 30, 1999. Brother Marley del Carmen was our invited speaker. About 107 adults and 17 children attended our fellowship.

Dear Pastor Pert,

I am one of your many radio listeners here in Aklan. Your radio program is clear even in the mountains of Madalag, my mission field. Thanks a lot for your commitment and dedication of years in bringing the precious Holy Word in Hiligaynon in which my parishioners understand it well, because most of them are illiterate.
